

IN THE MATTER OF the Canterbury Earthquake
(Christchurch Replacement District Plan)
Order 2014

AND

IN THE MATTER OF the Stage 3 Natural Hazards Proposal

Date: 8 March 2016

MINUTE

Responding to CCC Memorandum 7-3-2016 re HFHMA modelling for the Waimakariri stop bank area and subsequent timetabling 8-3-2016

[1] The Panel issued a Minute¹ seeking supplementary information from the Christchurch City Council (Council).

[2] The Council filed a memorandum² in response.

[3] Accordingly, I now direct that:

- (a) The HFHMA modules for the Waimakariri stop bank area are not required; and
- (b) Timetabling directions as follows:

¹ Minute re further mapping in regard to sea level rise, flood ponding management areas, permitted activities in rural areas 3 March 2016

² Memorandum of Counsel for the Christchurch City Council in response to Panel Minute dated 3 March 2016, 7 March 2016
